

Teams for Summer Season 2026/27

We wish all our teams the very best for a fun season of basketball this Summer season.

Please note that many hours have been spent by our dedicated volunteers to craft teams to the best of our ability to include friendship requests, player skills and the need for balanced teams formed from the number of registrations received in each age group. We thank our volunteer Age Group Coordinators for their time and efforts.

Please note that the Club reserves the right to move players within the first five weeks of the season if the Committee/Age Group Coordinator/WBA thinks that individual players have been placed in the wrong division or if we need to balance numbers within teams of the same age group.
